

Mark Your Calendars! Call for Speakers!

**Traffic Engineering Workshop
&
Transportation Planning Forum**
April 18, 2012

ITE Wisconsin is hosting our spring conference featuring the Transportation Planning Forum and the Traffic Engineering Workshop on April 18, 2012 at the Country Springs in Pewaukee. The event organizers are looking for speakers in both sessions, and you are invited to submit a notice of interest on topics such as:

- Intersection Improvements
- Traffic Signal Systems
- Transit
- Corridor Studies
- Long Range Plans
- New Technology
- Access Management
- Signing
- Special Events
- Pedestrians and Bicycles
- Roundabouts
- Travel Demand Forecasting
- Environmental Quality
- Smart Growth
- Public Involvement
- Transportation and Land Use
- Funding
- Safety
- Traffic Impact Studies
- Traffic Impact Fees
- Low Cost Strategies

All areas within traffic engineering and transportation planning will be considered. The presentations can focus on innovative practices, public/private success stories, lessons learned, new research, policy issues, unique projects, etc. Individual and panel ideas are welcome.

Please contact Pat Hawley at pat.hawley@rasmithnational.com or (262) 317-3204 with a notice of interest for presentation suggestions. *Full abstracts are not required, but please provide a 2-3 sentence description.* Presenters do not need to be ITE members – please forward to your peers and co-workers.

PLEASE RESPOND BY NOVEMBER 11, 2011
